OUR MISSION

To promote the general welfare of retired faculty, their spouses or domestic partners and their surviving spouses or domestic partners

To assist emeriti in making the transition from active faculty career to emeritus/a status, which may continue to involve:

- teaching;
- scholarly research; and/or
- service to the campus,
- the UCR Division of or the Statewide Academic Senate or in other venues.

To communicate the activities and needs of the emeriti faculty to the UCR Division of the Academic Senate and to UCR administrators.

To help provide retirement services and information for all emeriti; to extend and enhance the services and opportunities available to emeriti faculty.

To sponsor educational and social events for the benefit of the membership and the UCR community.
